Operation 7-7 For Cameroon

Dear Co-Workers,

Operation 7-7 for Cameroon is an initiative championed and organized by the CBC in synergy with other Christian denominations. The aim is to mobilize seven million Christians to praise, worship and pray for 7 hours in their homes from 8pm-3am on September 28 through 29, 2018; hence Operation 7-7 for Cameroon. By this we are looking forward to God's gracious intervention in a new dimension in the current socio political crisis in the country.

Christians are encouraged to follow cues built into this program broadcast on Canal 2 English, CBC Radio Stations, and other radio stations. Please as much as possible; inform your constituents, neighbors and friends. The more people we can engage in the process, the better.

Also keep your social media accounts active for any updates and directives on the initiative.

Thanks.

Rev Dr Ncham Godwill Chiatoh
Executive President, CBC
