

Dr. Mbanga Evans
Mmed Anatomic Pathology
Part 1B (Second Year)
University of Nairobi, Kenyatta National hospital
6/04/2019

Dear Sir/Madame

LETTER OF APPRECIATION

My wife Akum Dora joins me this day to put forward this note of thanks and gratitude towards your selfless endeavor to play a more than crucial part in making the dreams of a family and of our community at large come to be.

We want to send forth a big thank you for your financial support in this new challenge that we have chosen to not only boost the services rendered at the Cameroon Baptist Convention but also to put me in a position to serve the people better by making the goodness of the Lord more manifest.

We are joined in this note by our three beautiful children:

Mbanga Chloe, who is 9 years old and attending primary school here in Nairobi at Peace Junior Academy. She is in grade 3 and doing her possible best to benefit from this opportunity we have all been offered.

Her Junior brother, Mbanga Nathanael, who is 6 years old attending the same school and is in grade 1.

Finally, the last of the family, Mbanga Thalia, who is 5 and in Pre-Primary 3, and attending the same institution.

They also send their greetings and thanks.

Together with this letter, I included a few pictures of our humble abode here in Nairobi, so our faces could be a part of this letter.

My email address is: mbangaevans@gmail.com

I answer to this phone number: both calls and WhatsApp: +235721752436

Once again we would like to say thank you and may our good Lord continue to bless you in this endeavor.

Dora, Evans, Chloe, Nathanael, Thalia.
