

Corona Virus

Corona Virus is dominating the news these days, and we believe this gives us as followers of this wonderful way called Christianity an opportunity to respond appropriately like Christ. Never from fear by over-reacting, and conversely, never from cynicism or apathy presented in an under reaction as if the suffering of God's people is not real. Yes, we will gather this weekend, and yes we are taking additional precautions to keep your family and friends healthy and safe.

What are we doing to address this?

- All Snack times in KidsChurch will move to personally packaged snacks.
- All kids and volunteers will wash hands on their way in to church.
- Hand sanitizer will be available and used in pre K and Elementary classes at multiple intervals each hour.
- Building is regularly being sanitized before and after all gatherings as part of our cleaner contract, but extra sanitizing is being done after every gathering.
- As is our norm we insist no kids are admitted into any KidsChurch class who have had a fever in the last 48 hours.

Prayer from stage - Transition piece

- God, we now come to you with our hands out in the spirit of Isaiah, saying, "Here we are send us."
- Send us to the least of these longing for a voice. Send us to those who need hope and healing. But we start here with a deep desire, like Isaiah, to hear your voice first. Not to go off on our own doing great things FOR you, but rather to do YOUR thing WITH YOU.
