

## **The North American Baptist Conference Military Chaplain Guidelines:**

Endorsed by the North American Baptist Conference to serve our Lord Jesus Christ  
as a chaplain in the Armed Forces of the United States of America  
or Department of Veteran's Affairs Chaplaincy (DVA)  
(Updated January 2023)

Recognizing the unique ministry skills necessary to serve the Lord and the United States of America as a chaplain to the soldiers, sailors, airmen, and Marines of the United States Armed Forces or Department of Veteran's Affairs Chaplaincy (DVA), as well as their families, the following guidelines leading to NAB endorsement are hereby established. The credibility of the NAB is clearly represented in ministers endorsed from our conference to serve as chaplains to the military, whether active duty, guard, reserve, chaplain candidates, or DVA. Therefore, only pastors of the highest caliber will be endorsed.

### **Background:**

The NAB is a member of the National Conference on Ministry to the Armed Forces (NCMAF). As a member organization, pastors endorsed to become chaplains in the armed forces and DVA must adhere to the strict guidelines of the NCMAF. NAB pastors will find very helpful information about becoming a military chaplain or DVA chaplain on the NCMAF website ([www.ncmaf.net](http://www.ncmaf.net)). We encourage you to become familiar with everything on their website; the Resources link under the Member's Home tab is especially helpful. It will lead you to the specific websites if interested in serving as a chaplain in the Army, Air Force, or Navy; the service's chaplain candidate program; or the DVA.

The NCMAF website lists the requirements to become a chaplain in any branch of the armed forces:

- Ecclesiastical endorsement (certifies experience and degree requirements meet the standards of the respective ecclesiastical group)
- Two years religious leadership consistent with clergy in applicant's tradition (strongly recommended)
- United States citizenship (No dual citizenship)
- Bachelor's degree (120 semester hours or 180 quarter hours)
- A graduate degree to include a minimum of 72 semester hours (or equivalent) from a qualifying (accredited) institution.
  - No less than 36 hours must be in theological/ministry and related studies, consistent with the respective religious tradition of the applicant.
  - Endorsers are free to exceed the Department of Defense (DOD) standard per ecclesiastical requirements, but cannot go below the minimal DOD requirements, e.g. many endorsers specifically require the Master of Divinity degree. (The NAB prefers the MDiv degree for pastors serving as chaplains.)

### **Qualifications for Active Duty Chaplains**

- Army: Commissioned prior to age 40 (Age waiver availability may vary from year to year)
- Air Force and Navy: Commissioned and on active duty by age 42 (Some consideration may be made for prior service)

- Pass a military commissioning physical
- Pass a security background investigation
- Ability to work in the DOD-directed religious accommodation environment

All chaplains are expected to adhere to the [NCMAF's Covenant and the Code of Ethics for Chaplains of the Armed Forces](#).

### *NAB Military Chaplain Guidelines*

In addition to the NCMAF requirements, the NAB military chaplain or DVA chaplaincy guidelines further:

- Require approval by the NAB Military Chaplain Credentials Committee (MCCC), which has the prerogative to consider each applicant on their individual merit.
- Require the members of the MCCC, including the NAB executive director, the NAB endorsing official, the applicant pastor's regional minister, a former or retired NAB endorsed military chaplain, and a minimum of two other NAB pastors, to be able to affirm the applicant's suitability to serve as a military chaplain.
- Prefer, per the NAB, that when possible the NAB endorsing official shall have served as an active duty, guard, or reserve chaplain in the armed forces.

### *Pastor/Applicants Desiring to Become Active Duty Chaplains Must:*

- Possess a Master of Divinity degree (MDiv).
- Hold current membership in good standing in a NAB church.
- Have received ordination that qualifies the pastor for service to the Lord and an NAB church as the senior pastor.
- Have demonstrated outstanding leadership as senior pastor, associate pastor, or director of specific ministries within the local church for a minimum of two years.
- Be sensitive to the religious pluralism of the military environment and be willing to support the free exercise of religion for all military members.
- Exhibit exceptional personal maturity, emotional stability, and outstanding professional competence.

### *Concerning Pastor/Applicants Desiring to Become a Chaplain in the Reserve or Guard Components:*

- They must meet all the requirements of the NAB Military Chaplain Guidelines.
- They must continue in their active pastoral ministry role in an NAB church as they serve as a chaplain in the reserve or guard of the armed forces.
- They must be specifically approved by the MCCC if they are a reserve or guard chaplain serving in other significant Christian leadership positions in a non-pastoral role (i.e., college/seminary professor, NAB International Office or regional staff member, or chaplains serving in hospital, senior living community, prison, or similar ministries).
- If the guard or reserve chaplain leaves his current ministerial position without a call to serve in another NAB church (or non-pastoral role as approved by the MCCC), the chaplain will be granted continued endorsement for a period of two years.
  - If the guard or reserve chaplain does not find future service in an NAB church within two years, the ecclesiastical endorsement will be rescinded.
  - Chaplains must keep the NAB endorsing official informed of their current pastoral status. Written communication will verify the timing of continued endorsement.

*Seminary Students Interested in the Chaplain Candidate Program of the Various Branches of the Armed Services:*

- Must be completely familiar with the chaplain candidate requirements for the Army, Navy, or Air Force Chaplain Corps as found on the NCMAF website ([www.ncmaf.net](http://www.ncmaf.net)).
- May apply for a chaplain position in the reserve, guard, or active duty following graduation from seminary, the awarding of the Master of Divinity degree, and ordination in an NAB church.
  - The chaplain candidate program is funded by the reserve component of the member services.
  - Service as an active duty chaplain may not be possible until completion of reserve requirements.

*Expectations*

The NAB expects that the military chaplain will:

- Continue to affirm the NAB Statement of Faith as posted on the NAB website at [nabconference.org/us](http://nabconference.org/us).
  - The NAB will withdraw the ecclesiastical endorsement of any chaplain found to be in noncompliance with the NAB Statement of Faith.
- Maintain close ties with the NAB throughout his career, whether active duty, guard, reserve, or DVA.
- Notify the NAB endorsing official and NAB executive director of changes in duty assignment, job title, promotion, home address, or phone number.
- Make regular financial contributions to his home church and the NAB's annual budget.
- Worship and/or fellowship with the nearest NAB church as often as practical.
  - Active duty chaplains receive permissive temporary duty to spend with their endorsing denomination.
  - The chaplain is encouraged to travel to the nearest NAB regional annual meeting, and every effort should be made to attend the NAB Triennial Conference.
- Maintain the highest moral, spiritual, ethical, and financial standards at all times.
  - Failure to do so will result in the NAB endorsing official conducting a review of the impropriety.
  - If evidence warrants the revocation of ecclesiastical endorsement, the chaplain will be separated from military service immediately.

The chaplain may expect that the NAB International Office, the region or association, the local NAB church, or all of the above will:

- Provide written theological statements regarding the doctrines of the NAB, as located on the website at [nabconference.org/us](http://nabconference.org/us).
- Sustain the chaplain in regular prayer support.
- Recognize the chaplain when present at NAB meetings and affirm the unique pastoral skills necessary to serve the Lord in the armed forces.
- Provide regular conference mailings, electronic communication, and updated information regarding the ministry of the NAB.
- Provide administrative support as required.
- Visit the chaplain and his family at his duty assignment when practical.
- Honor the chaplain and his family upon his retirement.
