

**NORTH AMERICAN BAPTISTS, INC.**

**FINANCIAL STATEMENTS**

**AUGUST 31, 2023**

(Expressed in U.S. Dollars)

## INDEPENDENT AUDITOR'S REPORT

To the Directors of  
North American Baptists, Inc.

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of North American Baptists, Inc. (the "Organization"), which comprise the statement of financial position as at August 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at August 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## 1. Nature of organization

North American Baptists, Inc. ("NAB" or the "Organization") and North American Baptists, Inc. (Canada) are operating organizations of the North American Baptist Conference ("NAB Conference") in the United States and Canada, respectively.

NAB Conference has more than 400 cooperative churches organized into 12 regions by geographical areas throughout Canada and the United States. NAB Conference functions in North America by assisting local congregations in leadership development, church growth and by establishing new churches. The ministry of NAB Conference is supported primarily by contributions from individuals and member churches across both Canada and the United States.

NAB Conference's foreign mission fields include Cameroon, Brazil, Japan, Hungary, Romania, Asia and Nigeria. In addition, NAB partners with nationals in Russia, the Philippines and Serbia. Missionaries are assigned for varying terms to staff these fields. Several national missionaries partner with NAB in various fields and many short-term volunteers are assigned for terms ranging from two weeks to two years. Missionaries help local communities and residents with health, education, welfare and spiritual needs. Through Hispanics for Christ, NAB is training Hispanic leaders and establishing Hispanic churches in Canada, the United States, Mexico, Central America and South America.

The Organization works together with other organizations to achieve its overall operating purpose and objectives. These cooperating and/or affiliated entities and organizations include its member churches, associations, regions and mission fields, Sioux Falls Seminary, Taylor College and Seminary, Church Investors Fund Ltd. and Church Investors Fund, Inc. (CeIF), Hispanics for Christ and North American Baptists, Inc. (Canada). These organizations are not consolidated in the Organization's financial statements due to lack of control.

The Organization is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC) and applicable state laws in the United States of America. However, the Organization is subject to U.S. federal income taxes on any unrelated business taxable income.

## 2. Basis of accounting and summary of significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations using the following significant accounting policies:

### (a) Fund accounting

The Organization uses fund accounting and has established the following funds:

#### (i) General Fund

Assets, liabilities, revenues and expenses relating to general operations and administrative activities are recorded in the general fund.

#### (ii) Restricted Fund

This fund accounts for all direct activities relating to donor stipulations for specific projects or programs. The Organization receives specific contributions for this purpose which are externally restricted.

# NORTH AMERICAN BAPTISTS, INC.

Notes to Financial Statements

Year ended August 31, 2023

(Expressed in U.S. Dollars)

---

## 2. Basis of accounting and summary of significant accounting policies (continued)

### (b) Interfund transfers

Generally, given the structure of the donor stipulated funding agreements, any excess restricted funding received for specific projects and programs may be released and transferred to the general fund once the projects and programs are complete at the discretion of management. Also, any deficiency in funding received for specific projects and programs may be funded by the general fund at the discretion of management.

### (c) Revenue recognition

The Organization follows the restricted fund method of accounting for contributions and bequests. Externally restricted contributions and bequests for specific projects and programs are recognized as revenue in the restricted fund when received or receivable and when collection is reasonably assured. Unrestricted contributions are recognized in the general fund as revenue when received or receivable and when collection is reasonably assured.

Investment income and any other revenue is recognized on the accrual basis in the appropriate fund when the amounts involved are readily determinable and when collection is reasonably assured.

### (d) Contributed materials and services

The Organization receives significant volunteer services and assistance in carrying out its primary activities. These contributed services are not recognized in the financial statements due to difficulties associated with the determination of fair value. Contributed materials used in the normal course of operations that would otherwise be purchased are recognized in the financial statements at fair value when fair value can be reasonably estimated, otherwise no amounts are recognized. The total contributed materials recognized during the year was \$nil (2022 - \$nil).

### (e) Financial instruments

#### *Measurement*

The Organization initially measures its financial assets and liabilities at fair value, except for certain financial instruments arising from transactions with related parties (non-arm's length transactions).

For financial instruments arising from arm's length transactions, the Organization subsequently measures its financial assets and liabilities at amortized cost, except for any investments in equity instruments that are quoted in an active market and certain derivative instruments, which are subsequently measured at fair value. For any arm's length financial instruments subsequently measured at fair value, changes in fair value are recognized in the excess (deficiency) of revenue over expenses for the year.

Financial instruments originated, acquired or assumed in a related party transaction are initially measured based on the nature of the financial instrument and may be either at fair value, cost or the cost of the consideration exchanged for the related party financial instrument, with subsequent measurement based on how the related party financial instrument was initially measured. Related party financial instruments initially measured at fair value include investments in equity instruments quoted in an active market, debt instruments quoted in an active market or when inputs significant to the determination of fair value are observable either directly or indirectly, or derivative contracts. All other related party financial instruments are initially measured at cost.

# NORTH AMERICAN BAPTISTS, INC.

Notes to Financial Statements

Year ended August 31, 2023

(Expressed in U.S. Dollars)

---

## 2. Basis of accounting and summary of significant accounting policies (continued)

### (e) Financial instruments (continued)

#### *Transaction costs*

For arm's length transactions, transaction costs for financial instruments subsequently measured at cost or amortized cost are added to the cost of the financial instrument; transaction costs for any financial instruments subsequently measured at fair value are expensed when incurred. For non-arm's length transactions, all transaction costs incurred on initial measurement of a related party financial instrument are recognized in the excess (deficiency) of revenue over expenses for the year.

#### *Impairment*

For financial assets from both arm's length and non-arm's length transactions, financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment with any impairment losses recognized in the excess (deficiency) of revenue over expenses for the year.

### (f) Investments, annuity assets, trust assets and endowment assets

Investments and annuity assets consist of currently expendable investments for operating and annuity requirements. Trust assets consist of non-expendable amounts invested pursuant to the Organization's trust agreements, which are invested in custodial accounts separate from expendable investments. Endowment assets consist of amounts invested pursuant to donor stipulations requiring the contributions received be maintained in perpetuity. A separate endowment fund has not been presented in these financial statements due to immateriality to the users of the financial statements - see Note 7 for details relating to total endowment contributions received by the Organization, investment income earned thereon and other transactions during the year relating to endowment assets.

Investments, annuity assets, trust assets and endowment assets in readily marketable debt and equity instruments are measured at fair value. Fair values for investment securities are based on quoted market prices, where available. If quoted market prices are not available, fair values are based on quoted market prices of comparable investments. Investments in certificates of deposit with the Church Investors Fund, Inc. are measured at cost.

### (g) Annuity agreements, contributions and annuities payable

The Organization has established a gift annuity plan whereby donors may contribute assets to the Organization in exchange for the right to receive a fixed dollar annual return during their lifetime. This transaction provides for a portion of the contribution to be considered a charitable contribution for income tax purposes. The difference between the amount provided for the annuity contract and the discounted liability for future payments, determined on an actuarial basis, is recognized as contribution income at the date of the gift if the Organization is the ultimate beneficiary, or as a liability if another charity is the beneficiary. Upon the death of the annuitant, income distributions cease. The actuarial liability for annuities payable is calculated annually using published mortality rate tables adopted by the Internal Revenue Service. Any actuarial gain or loss is recorded as a component of the net valuation adjustments from annuities on the statement of operations.

# NORTH AMERICAN BAPTISTS, INC.

Notes to Financial Statements

Year ended August 31, 2023

(Expressed in U.S. Dollars)

---

## 2. Basis of accounting and summary of significant accounting policies (continued)

### (h) Trust agreements, contributions and liabilities

#### *Revocable trusts*

As trustee, NAB has contracted with Cornerstone Management for the administration of the revocable trusts that provide for a beneficial interest to the Organization or other beneficiaries at the grantor's death. Since the trusts are revocable at the discretion of the grantor, the principal amounts provided are recorded as liabilities. All trust income, deductions, and credits are reportable by the grantor for tax purposes. At the grantor's death, the remaining trust assets, if designated for the Organization, will be recorded as contribution income. Any trust designated for other beneficiaries will be distributed in accordance with the trust agreement.

#### *Irrevocable trusts*

The Organization has also contracted with Cornerstone Management for the administration of irrevocable trusts including charitable remainder unitrusts and annuity trusts. These trusts provide for the payment of lifetime distributions to the grantor or other designated beneficiaries. The present value of these payments are reported as trust liabilities using federal discount and mortality tables. At the death of the lifetime beneficiaries, the trusts provide for the distribution of assets to designated remaindermen. The present value of the Organization's remainder interest is recognized as contributions in the appropriate fund in the period received. Certain trusts contain provisions to distribute assets to remaindermen other than the Organization; the portion attributable to others is reflected as a component of trust liabilities.

### (i) Property and equipment

Property and equipment are recorded at cost and are amortized over their estimated useful lives based on the following rates and methods:

	<u>Rate</u>	<u>Method</u>
Building	40 years	Straight-line
Equipment	3-6 years	Straight-line
Furniture and fixtures	10 years	Straight-line

### (j) Impairment of long-lived assets

Property and equipment are assessed for impairment when events or conditions indicate that an asset no longer contributes to the Organization's ability to provide goods and services or that the value of future benefits or service potential associated with the assets may be less than its carrying value. An impairment loss is recognized when the carrying value of the asset exceeds its fair value or replacement cost as determined on an asset by asset basis. Any impairment losses are recognized in the excess (deficiency) of revenue over expenses in the period the impairment occurs. Impairment losses are not reversed.

### (k) Foreign currency transactions

The Organization uses the temporal method to translate its foreign currency transactions. Under the temporal method, monetary assets and liabilities are translated at the exchange rate in effect at the reporting date. Other assets and liabilities are translated at the exchange rate in effect at the transaction date. Items included in the statement of operations are translated at average annual rates. Any exchange gains and losses are included in the excess (deficiency) of revenue over expenses for the year.

# NORTH AMERICAN BAPTISTS, INC.

Notes to Financial Statements

Year ended August 31, 2023

(Expressed in U.S. Dollars)

---

## 2. Basis of accounting and summary of significant accounting policies (continued)

### (l) Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. These estimates are reviewed periodically and adjustments are recognized in the excess (deficiency) of revenue over expenses in the period they become known. Actual results may differ from these estimates.

## 3. Funds held in trust and liability for funds held in trust

Funds held in trust consist of funds received on behalf of other organizations that are held in a separate account with Church Investors Fund, Inc. These amounts plus any interest earned thereon are payable on demand.

## 4. Investments

	2023	2022
Marketable securities and equity funds	\$ 6,360,981	\$ 8,477,929
Cash and/or money market funds	2,963,963	1,052,899

	\$ (1,340)	\$ (13,608)

## 7. Endowment assets and contributions

As at August 31, 2023, included in endowment assets is total endowment contributions of \$211,435 (2022 - \$211,435) required to be maintained in perpetuity. See also Note 9 for net assets restricted in perpetuity. These assets are invested in accordance with an endowment fund policy to achieve certain target returns to be used for charitable purposes. In accordance with legislation in the United States, the Organization has set an annual distribution policy of 5% of market value. Any investment income earned on endowment assets is retained in the restricted fund and included in total endowment assets until distributions are made in accordance with the Organization's distribution policy.

During the year ended August 31, 2023, the Organization received additional endowment contributions of \$nil (2022 - \$148,018). For the year ended August 31, 2023, the total net investment income earned on endowment assets including change in market value was a net gain or income of \$17,374 (2022 - net loss of \$14,109).

Also during the year ended August 31, 2023, a total distribution of \$4,149 (2022 - \$10,961) was made from the net investment returns realized on endowment assets. The distribution of \$10,961 made during the year ended August 31, 2022 was for the net investment returns realized for the fiscal years ended August 31, 2019, 2020 and 2021, with no distribution made for the year ended August 31, 2022 due to the decrease in market values experienced during the year ended August 31, 2022. Any distributions from endowment assets in the restricted fund to the general fund are included in the total interfund transfers for the year (see also Note 11).

## 10. Contributions and bequests - restricted

The Organization receives externally restricted contributions and bequests of which a portion is designated for general administrative purposes. During the year ended August 31, 2023, of the total restricted contributions received or receivable of \$1,743,671 (2022 - \$2,148,073), \$1,486,954 (2022 - \$1,853,338) was recognized in the restricted fund to be used for specific projects and programs with \$256,717 (2022 - \$294,735) recognized in the general fund to cover administrative expenses incurred during the year. For the years ended August 31, 2023 and 2022, total administrative expenses in the general fund were in excess of the restricted contributions designated for administrative purposes therefore no amounts were deferred at year end.

## 11. Interfund transfers

During the year ended August 31, 2023, \$355,842 (2022 - \$254,160) was transferred from the general fund to the restricted fund to cover the deficiency in funding for certain projects and programs during the year. In addition, during the year ended August 31, 2023, \$4,149 (2022 - \$nil) was transferred from the restricted fund to the general fund relating to endowment distributions resulting in a net transfer from the general fund to the restricted fund during the year of \$351,693 (2022 - \$254,160).

## 12. Employee benefit plan

The Organization maintains an employee benefit plan in accordance with Internal Revenue Code section 403(b). The plan also covers eligible employees of the cooperating organizations of the Organization, including ministers and approved church staff employed by the constituent churches or who are serving indirectly the interests of the Organization, as approved by the Governing Board of the NAB Conference.

Employer contributions made by the Organization range from 5% to 12% of annual compensation based on class of employment. Employee contributions are discretionary and are subject to the maximum amounts allowed by government regulations. For the year ended August 31, 2023, the Organization made total contributions on behalf of its employees of \$119,723 (2022 - \$109,072). In addition to amounts contributed for its employees, the Organization makes an annual contribution of \$300 per employee of the NAB Conference churches who meet certain minimum contribution and eligibility requirements. For the year ended August 31, 2023, the total contributions to these other eligible employee retirement accounts was \$53,100 (2022 - \$58,200). As at year end, the Organization has no further obligations pursuant to this employee benefit plan (2022 - \$nil).

## 13. Related party transactions

The Organization receives payments from North American Baptists, Inc. (Canada), an organization with certain directors in common, as reimbursement for joint ministry administrative and program costs. These amounts are separately presented in the statement of operations as joint ministry administrative and program cost recoveries. These transactions are in the normal course of operations and are measured at the amount agreed upon by the parties pursuant to a Joint Ministry Agreement.

Total recoveries for the year ended August 31, 2023 pursuant to the Joint Ministry Agreement were \$716,592 (2022 - \$690,310) with \$80,740 (2022 - \$80,876) receivable at year end.

## 14. Commitments

The Organization does not have any significant, non-routine operating lease or other commitments as at year end.

## 15. Financial risks and concentrations of risk

Management is of the opinion that the Organization is not exposed to any significant unusual or non-routine liquidity, credit, market, currency, interest rate or other price risks or concentrations of risk resulting from its financial instruments that are not readily determinable from information provided in these financial statements except as specifically disclosed below. The carrying value of any secured financial liabilities as at year end as well as the approximate carrying value of any assets pledged as security is readily determinable from information provided in these financial statements.

### Credit risk

The Organization is exposed to credit risk on certain of its cash balances for amounts in excess of federally insured limits. As at August 31, 2023, the Organization has total cash and cash equivalents that exceed federally insured limits by approximately \$89,000 (2022 - \$123,000). The Organization has not experienced any losses on these cash balances as at the date of approval of these financial statements.

### Market and interest rate risk

The Organization is exposed to market risk and interest rate risk on its investments. Assuming no significant changes to the composition of the investment portfolio at year end, a 1% fluctuation in interest rates would result in a net change of approximately \$104,657 (2022 - \$106,511) to the value of the investments and corresponding net change in market value on the statement of operations. The Organization is also exposed to market risk and interest rate risk on its trust assets, annuity assets and endowment assets; however, assuming no significant changes to the nature and composition of these assets at year end, any fluctuations are not considered to have a material impact on the Organization's financial statements.

In order to mitigate these risks, the Organization has established an Investment Committee to monitor and oversee its investment portfolio to ensure specific asset mix allocations are maintained and adjusted as necessary and target investment returns are achieved.
